MEDIA ADVISORY

Icy Road Conditions in San Antonio

The San Antonio Police Department has activated the "Ice Plan" for the City. The police department is asking the Citizens of San Antonio to avoid driving the major highways, since many overpasses may have accumulated ice over the roadway. Citizens are asked to monitor their local media outlets and the TXDOT website at www.transguide.dot.tx.us for updated road information.

Since midnight, SAPD has responded to over 400 minor accidents and 100 major accidents.

Road conditions are expected to improve as temperatures get warmer.
